

Fee Schedule 2023/24 Lincoln Square

Tuition fees cover up to 10 hours of care per day. Tuition includes meals, wipes and all activities.

Tuition fees are due each month regardless of attendance due to illness or vacation. **The fee schedule is effective September 1st 2023 to August 31st 2024.** Fees are increased September 1st each year to cover annual rent increases and pay raises for employees.

Please note that fees are based on the required child to adult ratio in each classroom. Fees decrease when a child transitions to a new class with a higher child to adult ratio, not on their birthday.
