

Montrose Ave. Fee Schedule 2024-25

Tuition fees cover up to 10 hours of care per day. Tuition includes meals, snacks, and all activities.

Tuition fees are due each month regardless of attendance due to illness or vacation. **The fee schedule is effective from September 1st, 2024 to August 31st, 2025.** Fees are increased on September 1st each year to cover annual rent increases and pay raises for employees.

Please note that fees are based on each classroom's required child-to-adult ratio. Fees decrease when a child transitions to a new class with a higher child-to-adult ratio, not on their birthday.
